The featured essay US politics

The end times fascists are plotting their escape from our world. Our mission is clear

The Guardian

Personalised advertising - it's your choice

Independent, quality original journalism needs your support.
Please choose an option.

Accept personalised advertising and all cookies

We use cookies and similar technologies to support the Guardian and personalise your experience in other ways. To do this we work with a cross section of [139 partners](#).

or

Reject all and subscribe to Guardian Ad-Lite for €5 per month

Read the Guardian website without personalised advertising. This does not include ad-free. You will still see non-personalised advertising and we may still use cookies and similar technologies to improve our site.

Some cookies are necessary to help our website work properly and can't be switched off. Find out more in our [privacy policy](#) and [cookie policy](#), and manage the choices available to you at any time by going to 'Privacy settings' at the bottom of any page.
